

The Air We Share: An immersion in Social Studies cultures A Learning Through the Arts® Teacher Institute

Grades 1 - 8

Breathe excitement into your exploration of the Social Studies curriculum using new resources and teaching strategies. As we merge stories from curriculum-based cultures with the art forms of creative writing, drama and movement, we discover new ways of reaching learning objectives. This professional development day is definitely vibrant and interactive with dramatic techniques, creative writing, roleplay, movement stories and storytelling.
